Turbocharger technology provides forced air induction, enhancing performance while preserving fuel economy. With less than 40,000 miles on the odometer, this 4 door sport utility vehicle prioritizes comfort, safety and convenience. Ford prioritized practicality, efficiency, and style by including: power windows, cruise control, and much more. Smooth gearshifts are achieved thanks to the efficient 3 cylinder engine, and for added security, dynamic Stability Control supplements the drivetrain. Four wheel drive allows you to go places you've only imagined. Our aim is to provide our customers with the best prices and service at all times.
