DESCRIPTION/OPTIONS: This vehicle won't be on the lot long! It offers the latest in technological innovation and style. Turbocharger technology provides forced air induction, enhancing performance while preserving fuel economy. Nissan infused the interior with top shelf amenities, such as: power door mirrors, an overhead console, and air conditioning. Smooth gearshifts are achieved thanks to the efficient 3 cylinder engine, and for added security, dynamic Stability Control supplements the drivetrain. We pride ourselves in consistently exceeding our customer's expectations. Stop by our dealership or give us a call for more information.
