DESCRIPTION/OPTIONS: Check out this 2022! It offers the latest in technological innovation and style. The engine breathes better thanks to a turbocharger, improving both performance and economy. With less than 30,000 miles on the odometer, this 4 door sport utility vehicle prioritizes comfort, safety and convenience. Nissan infused the interior with top shelf amenities, such as: a trip computer, power door mirrors, and cruise control. Smooth gearshifts are achieved thanks to the efficient 3 cylinder engine, and for added security, dynamic Stability Control supplements the drivetrain. We pride ourselves on providing excellent customer service. Stop by our dealership or give us a call for more information.
