DESCRIPTION/OPTIONS: Looking for a used car at an affordable price? How about this great vehicle! It just arrived on our lot this past week! With less than 20,000 miles on the odometer, this pickup successfully merges advanced capability with comfort and agility, distinguishing itself from the competition with its cargo capacity, towing capacity, and ruggedness! Top features include a split folding rear seat, speed sensitive wipers, an overhead console, and more. Under the hood you'll find an 8 cylinder engine with more than 400 horsepower, and for added security, dynamic Stability Control supplements the drivetrain. Four wheel drive allows you to go places you've only imagined. Our aim is to provide our customers with the best prices and service at all times. Stop by our dealership or give us a call for more information.
