DESCRIPTION/OPTIONS: Hurry and take advantage now! What a great deal on this 2026 Jeep! This vehicle shines in its off-road ability while forging a new path toward value, efficiency and flexibility! Turbocharger technology provides forced air induction, enhancing performance while preserving fuel economy. Jeep prioritized comfort and style by including: heated seats, heated door mirrors, and power windows. Under the hood you'll find a 4 cylinder engine with more than 200 horsepower, and load leveling rear suspension maintains a comfortable ride. Well tuned suspension and stability control deliver a spirited, yet composed, ride and drive We'd also be happy to help you arrange financing for your vehicle. Please don't hesitate to give us a call.
