DESCRIPTION/OPTIONS: This Ram won't be on the lot long! It just arrived on our lot, and surely won't be here long! With less than 30,000 miles on the odometer, this is a great value! Top features include front bucket seats, voice activated navigation, heated seats, and a split folding rear seat. Smooth gearshifts are achieved thanks to the powerful 8 cylinder engine, and for added security, dynamic Stability Control supplements the drivetrain. Four wheel drive allows you to go places you've only imagined. We know that you have high expectations, and we enjoy the challenge of meeting and exceeding them! Please don't hesitate to give us a call.
