**DESCRIPTION/OPTIONS:** How about this great vehicle! This vehicle shines in its off-road ability while forging a new path toward value, efficiency and flexibility! A turbocharger is also included as an economical means of increasing performance. Volkswagen prioritized practicality, efficiency, and style by including: heated seats, rain sensing wipers, and cruise control. Smooth gearshifts are achieved thanks to the 2 liter 4 cylinder engine, and for added security, dynamic Stability Control supplements the drivetrain. We pride ourselves on providing excellent customer service. Please don't hesitate to give us a call.
