DESCRIPTION/OPTIONS: Check out this 2024! Simply a great car! With less than 10,000 miles on the odometer, you can be confident that this pre-owned vehicle will provide you reliable transportation. Ford prioritized comfort and style by including: 1-touch window functionality, a trip computer, and power windows. Ford made sure to keep road-handling and sportiness at the top of it's priority list. Smooth gearshifts are achieved thanks to the 5 liter 8 cylinder engine, and for added security, dynamic Stability Control supplements the drivetrain. We'd also be happy to help you arrange financing for your vehicle. Please don't hesitate to give us a call.
