**DESCRIPTION/OPTIONS:** You won't want to miss this excellent value! It delivers an exhilarating ride without compromising safety and comfort! The engine breathes better thanks to a turbocharger, improving both performance and economy. This 2 door, 4 passenger convertible just recently passed the 30,000 mile mark! Jeep prioritized practicality, efficiency, and style by including: front dual-zone air conditioning, skid plates, and 1-touch window functionality. Under the hood you'll find a 4 cylinder engine with more than 200 horsepower, and for added security, dynamic Stability Control supplements the drivetrain. Four wheel drive allows you to go places you've only imagined. Our experienced sales staff is eager to share its knowledge and enthusiasm with you. They'll work with you to find the right vehicle at a price you can afford. We are here to help you.
