**DESCRIPTION/OPTIONS:** This Mazda won't be on the lot long! It offers the latest in technological innovation and style. Turbocharger technology provides forced air induction, enhancing performance while preserving fuel economy. Mazda prioritized practicality, efficiency, and style by including: leather upholstery, rear wipers, and power seats. Smooth gearshifts are achieved thanks to the efficient 4 cylinder engine, and for added security, dynamic Stability Control supplements the drivetrain. Our sales reps are extremely helpful knowledgeable. They'll work with you to find the right vehicle at a price you can afford. Come on in and take a test drive!
