DESCRIPTION/OPTIONS: The car you've always wanted! How about this great vehicle! An awesome price considering its low mileage! With less than 10,000 miles on the odometer, this midsize truck stands out in its class as affordable practicality with a stylish twist. Nissan prioritized fit and finish as evidenced by: variably intermittent wipers, tilt steering wheel, and remote keyless entry. Under the hood you'll find a 6 cylinder engine with more than 300 horsepower, and for added security, dynamic Stability Control supplements the drivetrain. Four wheel drive allows you to go places you've only imagined. We pride ourselves in consistently exceeding our customer's expectations. Stop by our dealership or give us a call for more information.
