DESCRIPTION/OPTIONS: This Nissan won't be on the lot long! This SUV combines world-recognized style and capability with pickup truck practicality and plenty of off-road grunt! Nissan infused the interior with top shelf amenities, such as: a built-in garage door transmitter, an overhead console, and cruise control. Smooth gearshifts are achieved thanks to the efficient 4 cylinder engine, and for added security, dynamic Stability Control supplements the drivetrain. We pride ourselves on providing excellent customer service. Stop by our dealership or give us a call for more information.
