**DESCRIPTION/OPTIONS:** This Nissan won't be on the lot long! It just arrived on our lot, and surely won't be here long! The engine breathes better thanks to a turbocharger, improving both performance and economy. With less than 30,000 miles on the odometer, this 4 door sport utility vehicle prioritizes comfort, safety and convenience. Nissan prioritized practicality, efficiency, and style by including: an overhead console, rear wipers, and cruise control. Performance and efficiency are both prioritized thanks to the efficient 3 cylinder engine, and for added security, dynamic Stability Control supplements the drivetrain. You will have a pleasant shopping experience that is fun, informative, and never high pressured. Stop by our dealership or give us a call for more information.
