**DESCRIPTION/OPTIONS:** You won't want to miss this excellent value! It just arrived on our lot this past week! A turbocharger is also included as an economical means of increasing performance. With fewer than 15,000 miles on the odometer, this 4 door sport utility vehicle prioritizes comfort, safety and convenience. Nissan prioritized fit and finish as evidenced by: a rear window wiper, an outside temperature display, and 1-touch window functionality. Performance and efficiency are both prioritized thanks to the efficient 3 cylinder engine, and for added security, dynamic Stability Control supplements the drivetrain. We have a skilled and knowledgeable sales staff with many years of experience satisfying our customers needs. We'd be happy to answer any questions that you may have. We are here to help you.
