DESCRIPTION/OPTIONS: Check out this 2026! You'll appreciate its safety and technology features! Top features include a split folding rear seat, variably intermittent wipers, a built-in garage door transmitter, and remote keyless entry. Under the hood you'll find a 6 cylinder engine with more than 270 horsepower, and for added security, dynamic Stability Control supplements the drivetrain. Four wheel drive allows you to go places you've only imagined. Our sales reps are extremely helpful knowledgeable. We'd be happy to answer any questions that you may have. Please don't hesitate to give us a call.
