DESCRIPTION/OPTIONS: This Jeep won't be on the lot long! It delivers style and power in a single package! The engine breathes better thanks to a turbocharger, improving both performance and economy. With less than 40,000 miles on the odometer, this 4 door sport utility vehicle prioritizes comfort, safety and convenience. Jeep infused the interior with top shelf amenities, such as: variably intermittent wipers, cruise control, and 1-touch window functionality. Under the hood you'll find a 4 cylinder engine with more than 170 horsepower, and for added security, dynamic Stability Control supplements the drivetrain. Four wheel drive allows you to go places you've only imagined. Our sales staff will help you find the vehicle that you've been searching for. We'd be happy to answer any questions that you may have. Please don't hesitate to give us a call.
