DESCRIPTION/OPTIONS: Check out this 2026! It delivers an exhilarating ride without compromising safety and comfort! The engine breathes better thanks to a turbocharger, improving both performance and economy. Jeep infused the interior with top shelf amenities, such as: heated steering wheel, lane departure warning, and cruise control. Under the hood you'll find a 4 cylinder engine with more than 200 horsepower, and for added security, dynamic Stability Control supplements the drivetrain. Four wheel drive allows you to go places you've only imagined. You will have a pleasant shopping experience that is fun, informative, and never high pressured. Please don't hesitate to give us a call.
