DESCRIPTION/OPTIONS: Check out this 2020! It just arrived on our lot, and surely won't be here long! The engine breathes better thanks to a turbocharger, improving both performance and economy. With less than 30,000 miles on the odometer, this 4 door sport utility vehicle prioritizes comfort, safety and convenience. All of the premium features expected of a Ford are offered, including: heated door mirrors, a roof rack, and power windows. Smooth gearshifts are achieved thanks to the 2 liter 4 cylinder engine, and for added security, dynamic Stability Control supplements the drivetrain. We have a skilled and knowledgeable sales staff with many years of experience satisfying our customers needs. They'll work with you to find the right vehicle at a price you can afford. We are here to help you.
