DESCRIPTION/OPTIONS: This vehicle won't be on the lot long! Blurring highway lines with an exceptional merger of performance and opulence. A turbocharger further enhances performance, while also preserving fuel economy. With less than 30,000 miles on the odometer, this 4 door sport utility vehicle prioritizes comfort, safety and convenience. Nissan paid particular attention to efficiency and practicality with the following features: automatic temperature control, power windows, and remote keyless entry. Smooth gearshifts are achieved thanks to the efficient 3 cylinder engine, and for added security, dynamic Stability Control supplements the drivetrain. We pride ourselves in consistently exceeding our customer's expectations. Stop by our dealership or give us a call for more information.
