DESCRIPTION/OPTIONS: This Ram won't be on the lot long! This vehicle sets a new standard in its segment, merging power and utility with stylish proportions! A turbocharger further enhances performance, while also preserving fuel economy. Comfort and convenience were prioritized within, evidenced by amenities such as: a front bench seat, skid plates, and air conditioning. Smooth gearshifts are achieved thanks to the refined 6 cylinder engine, and for added security, dynamic Stability Control supplements the drivetrain. Four wheel drive allows you to go places you've only imagined. We'd love to show you this vehicle in person. Call to schedule a test drive today.
