DESCRIPTION/OPTIONS: This vehicle won't be on the lot long! Settle in and experience the rush! Turbocharger technology provides forced air induction, enhancing performance while preserving fuel economy. Jeep prioritized practicality, efficiency, and style by including: heated and ventilated seats, rain sensing wipers, and seat memory. Smooth gearshifts are achieved thanks to the efficient 4 cylinder engine, and for added security, dynamic Stability Control supplements the drivetrain. Four wheel drive allows you to go places you've only imagined. We pride ourselves on providing excellent customer service. Stop by our dealership or give us a call for more information.
